Dear Pat:

The pictures just arrived and I'm in town today to take care of some business, so was able to judge your handsome contestants today. I'll be flying back to San Francisco this evening.

It was a real pleasure judging them, but it was a difficult decision to make as I'd really like to call each boy a winner. However, I was finally able to choose the fellas whose pictures I have indicated on the backs.

I'd like to congratulate all of the candidates and wish them all the luck and success in the future. Warmest wishes to you and to the entire student body at Fort Collins High School.

Your friend,

SUBJECT:

TO: Miss Pat Winey
Editor, Lambkin Staff
Fort Collins High School
Fort Collins, Colorado

Dear Pat

On behalf of the Cadet Colonel Lawrence J. Karnowski and the other members of the Air Force Academy Cadet Wing Staff, I am notifying you that their choice from among the five attractive and talented young ladies nominated for Lambkin Queen is Miss Karen Porterfield.

Cadet Karnowski asked me to tell you that the judges' only regret was that they could not meet the candidates personally. He was sure you would realize that it is extremely difficult to make the selection for such an honor on the basis of photos and written material alone. In any event, they felt most privileged to have been asked to do the judging.

I am getting this off to you in today's mail because I know you are most anxious to learn the results. I will forward photos of the Academy and Cadet Karnowski and his staff in the next few days.

Sincerely

Doris,

It's been a real pleasure to work with you through 4-H and Student Council. You are really a girl who has a "lot on the ball". I can tell from the experiences you have had this year in Student Council and those offices and responsibilities that have been given you already for next year that you will be a busy girl. I have enjoyed knowing you. Keep up the good work.

Sincerely,
Helen Quinlan

Doris,
I'm really glad I've gotten to know you this year. I haven't known you very too long, but what I've known I've really enjoyed. I hope we'll always be friends. Loads of luck to a real sweet and wonderful girl. May God bless you.

Luff ya,
Diane Seeley
"Lambkins"

Doris,
I can't begin to tell you how much fun it's been sitting next to you in Geometry class. We've done just about everything to harass poor Mr. Street -- notes, giggles, bananas from your lunch, straining our necks to see the sorority across the street, and long, long tales of our latest troubles. But it's been so much fun, even if we haven't learned too much from Geometry. Well, I'd like to write so much more but the darn bell is gonna ring any second so I'll just say I'll never forget you and the good times we've had!
Be good! Write me this summer!

Good luck,
Judi

Doris,
I wish you hadn't given me such a rough time this year - you make me feel unwanted. Really, it has been lots of fun being in Student Council with you - you're lots of fun. Best of luck in the future in everything you do - you'll go a long way with your personality and willingness to work.
Fred Mather

Doris,
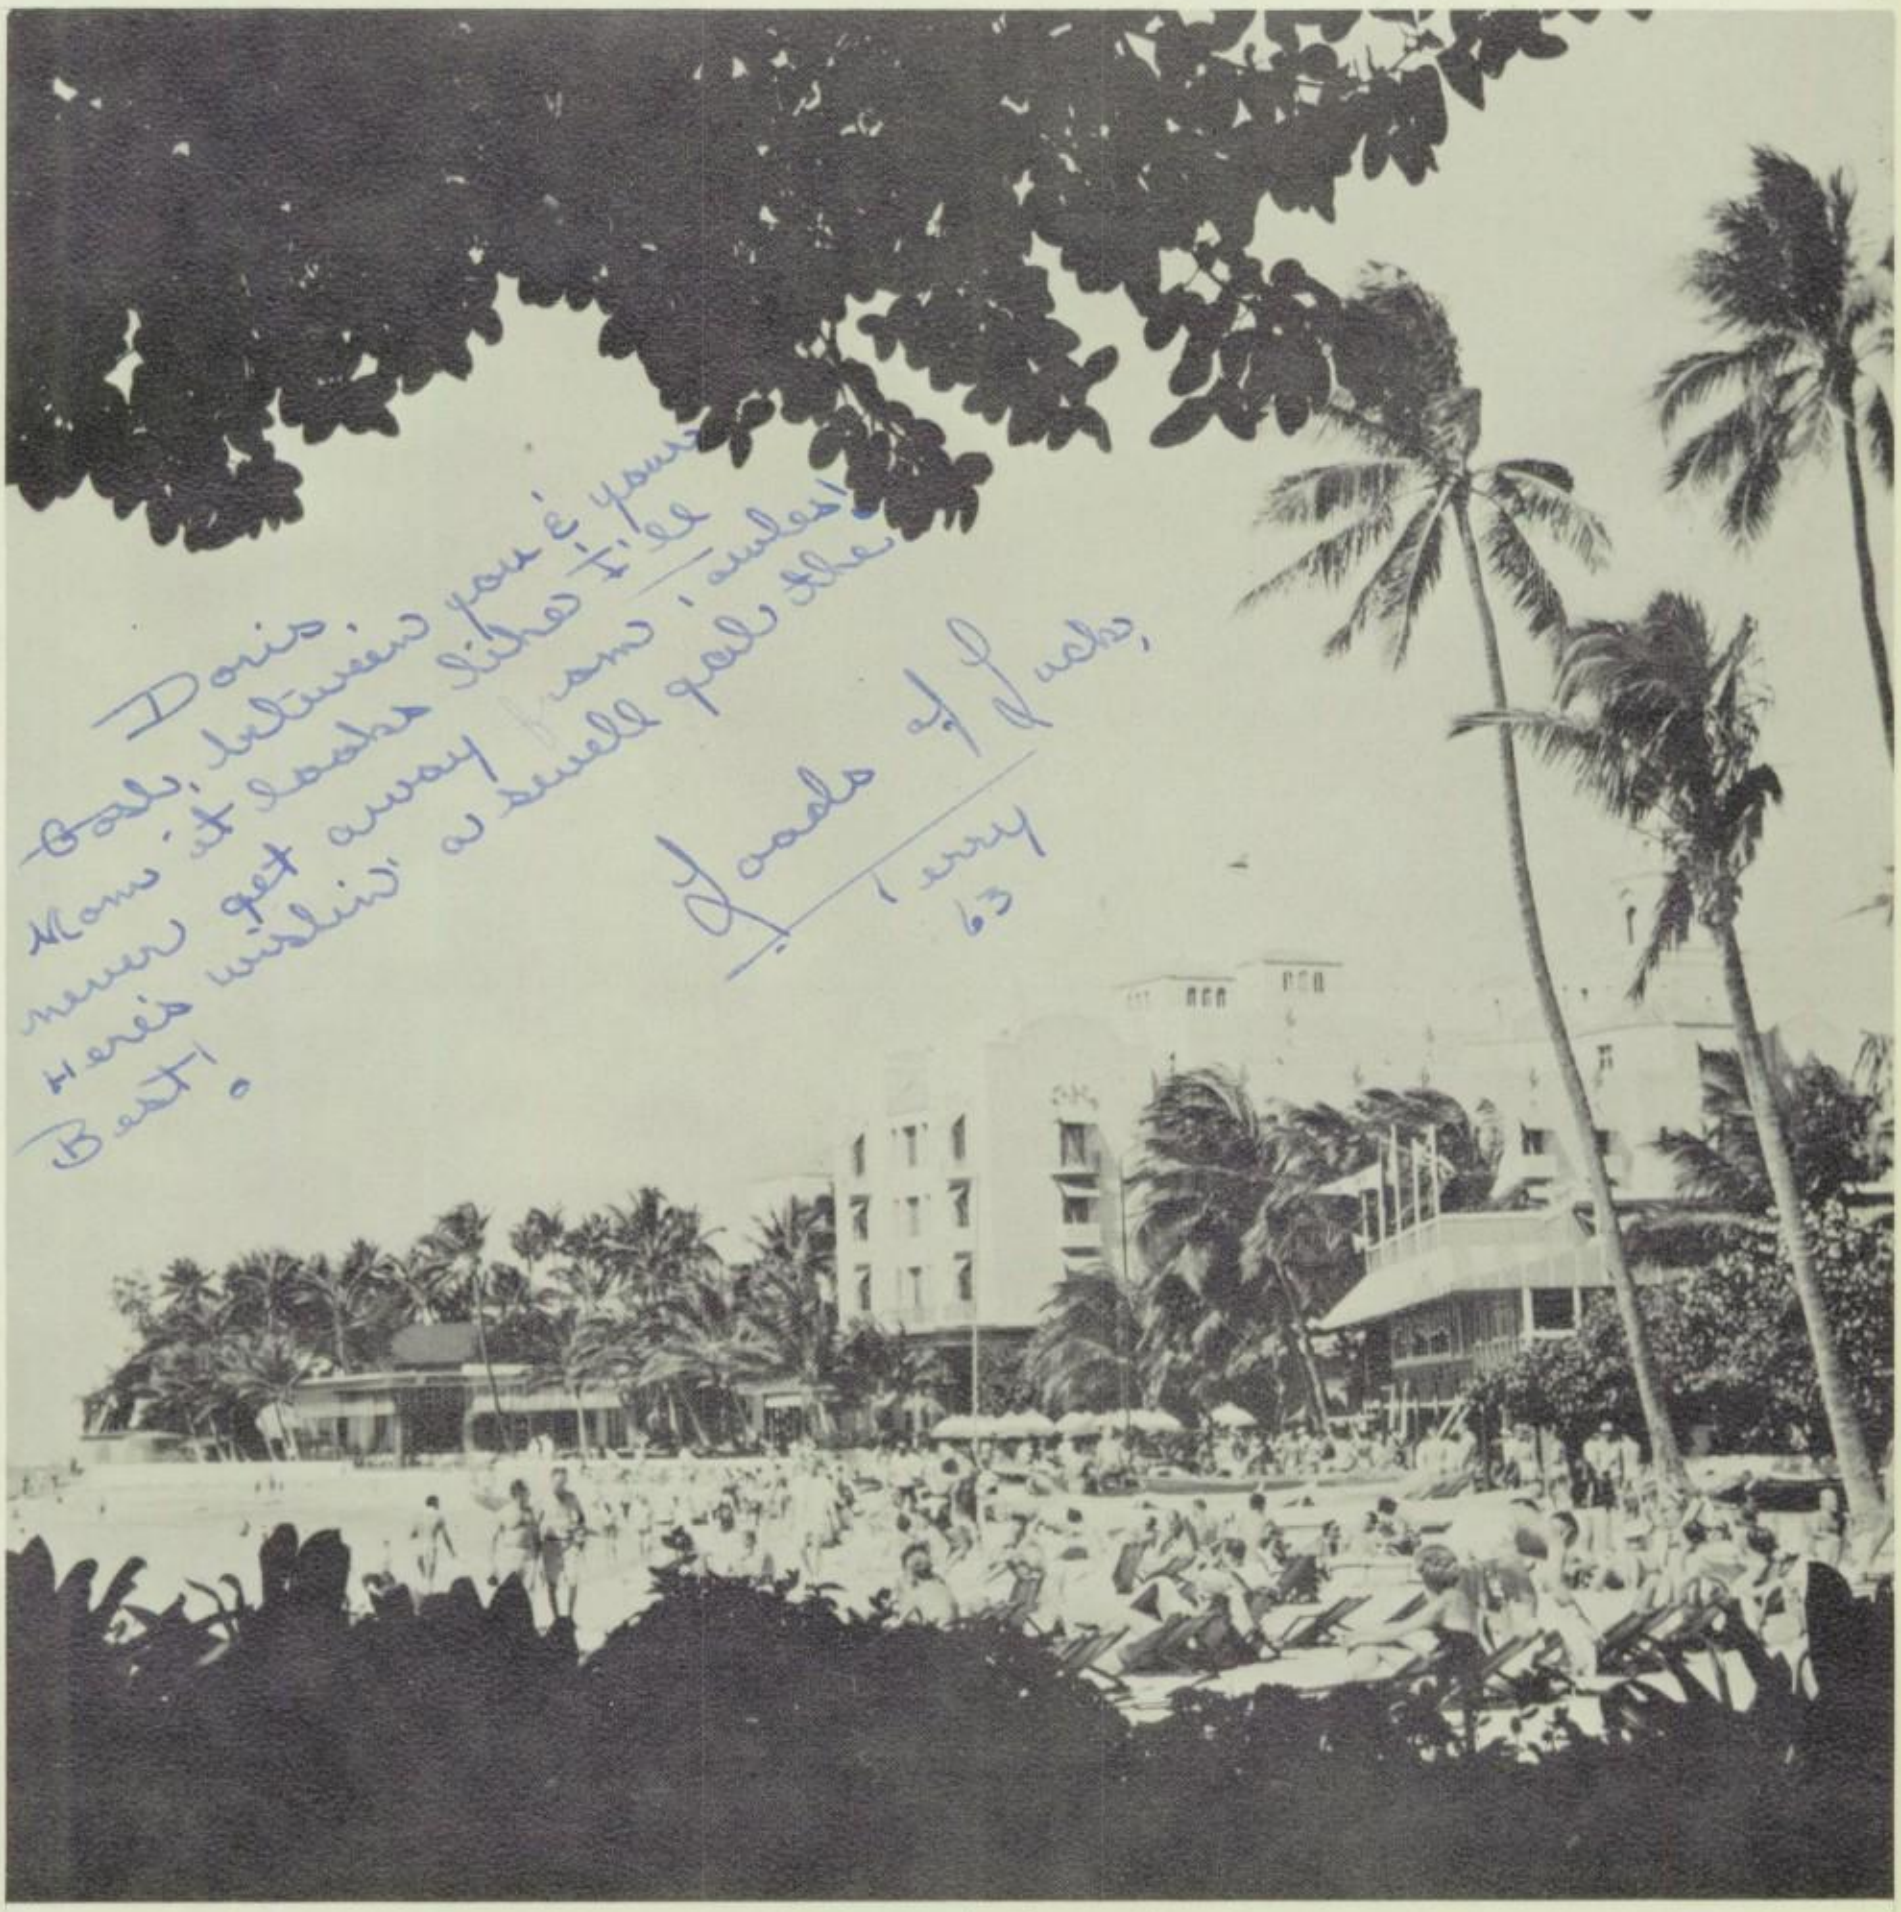
Good luck in the future. Remember to take all the notes like a good girl in Biology
CENSORED

WOW!

Doris,
Remember when we had the fun we used to meet each other at church (that was when you lived in Laporte) when you told me you were moving to Collins I was so excited.

ADS



Doris,
May you have the best luck in whatever you do. Remember the good times we've had together? I hope we have a lot more.
God be with you,
Leslie Dinner.

Doris,

Boy, what a year! Haven't we had a blast, though? And, ohhhh, the memories! Remember when ..., and then ..., and oh that ...!! !! Boy !! I'm so glad we got acquainted better this year. Just think what we would have missed! (awful thought) I'm glad you got things all straightened out (you know, with your friend) But you'd better "watch out" for my friend! (kiddin, of course) (or am I?) Ha! Ha!

Anyway, may everything good come your way, always!

Much Lambkin Luck,

Linda (Trisket)

Doris - I'll bet you never fodget riding in parades with B. + S. and all the squirt guns! Best of luck! May you sit on the tack of opportunity and quickly rise to success! Caroline "61"

↑ so that 20 years from now you'll know who wrote that corn.

Doris,
Band was really a lot of fun this year and I hope next year that I will be just as much fun. There's just one problem. You will probably be in 1 band and I will be sticking it out in 2 band. That's the breaks. I don't see how you can always be so peppy all the time I don't think I've ever seen you in a bad mood. Maybe I'm just mean around you enough. Or maybe you'll just have to give me your trade secret.
Lots of luck in the future.
